Reasons For Allowance

1. The following is an Examiner's Statement of Reasons for Allowance:

Claims 12-17 are allowable over the prior art of record.

The examiner has found that the prior art of record does not teach or suggest or render obvious a method of analyzing network performance when executing a task, displaying a chart/detail report comprising: a first and a second times during which one or more meaningful frames within the network are traveling in a first and a second directions, respectively, the first and second times each represented and shows a network frame transit statistics; and a time set representing one or more times during which each of one or more nodes in the network is respectively active during the task; each of the one or more nodes is represented and shows a node processing statistics at set forth in the specification and recited in the independent claims 12 and 16.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
